

Patch cord coupler sealing kit, IP67, shielded, category 6

Product Code: [LAN-CP45S6/SET-WP](#)

Patch cord coupler sealing kit, IP67, shielded, category 6

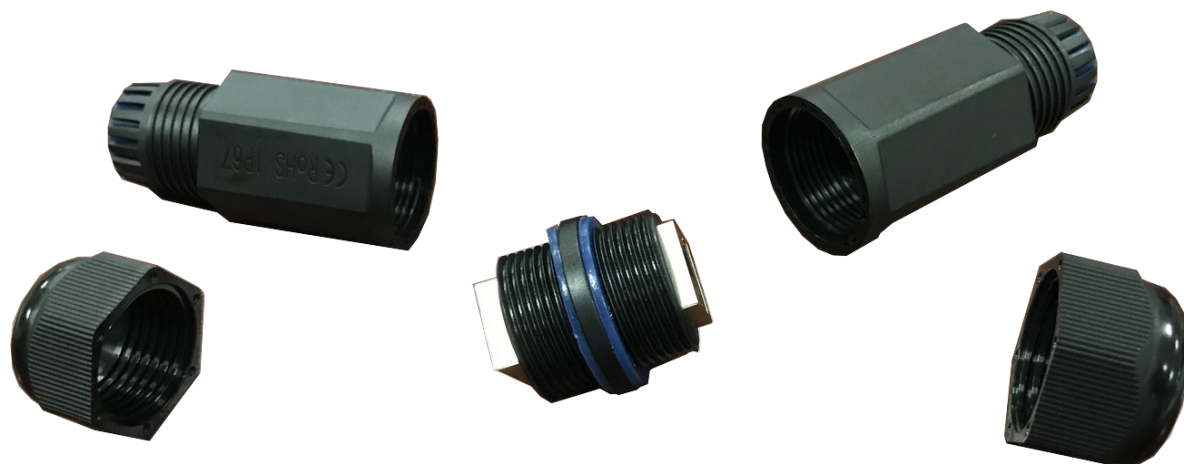

Description

The coupler with IP67 protection.

Features:

- used when a prompt solution to an urgent problem is required,
- simple design,
- ready-use kit, compatibility with general components.

The RJ-45 port coupler is designed to quickly connect pre-terminated cable links when organizing a cable network. Suitable for installation in spaces with harsh environmental conditions (high humidity, temperature drops, vibration, dust, electromagnetic interference): industrial workshops, laboratories, etc.

The sealing of the connector is ensured by rubber gaskets and threaded connections.

Protection class is IP67.
