

DIN-rail mounting frame for 45x45 inserts and power modules, white

Product Code: [LAN-DRF-45x45-WH](#)

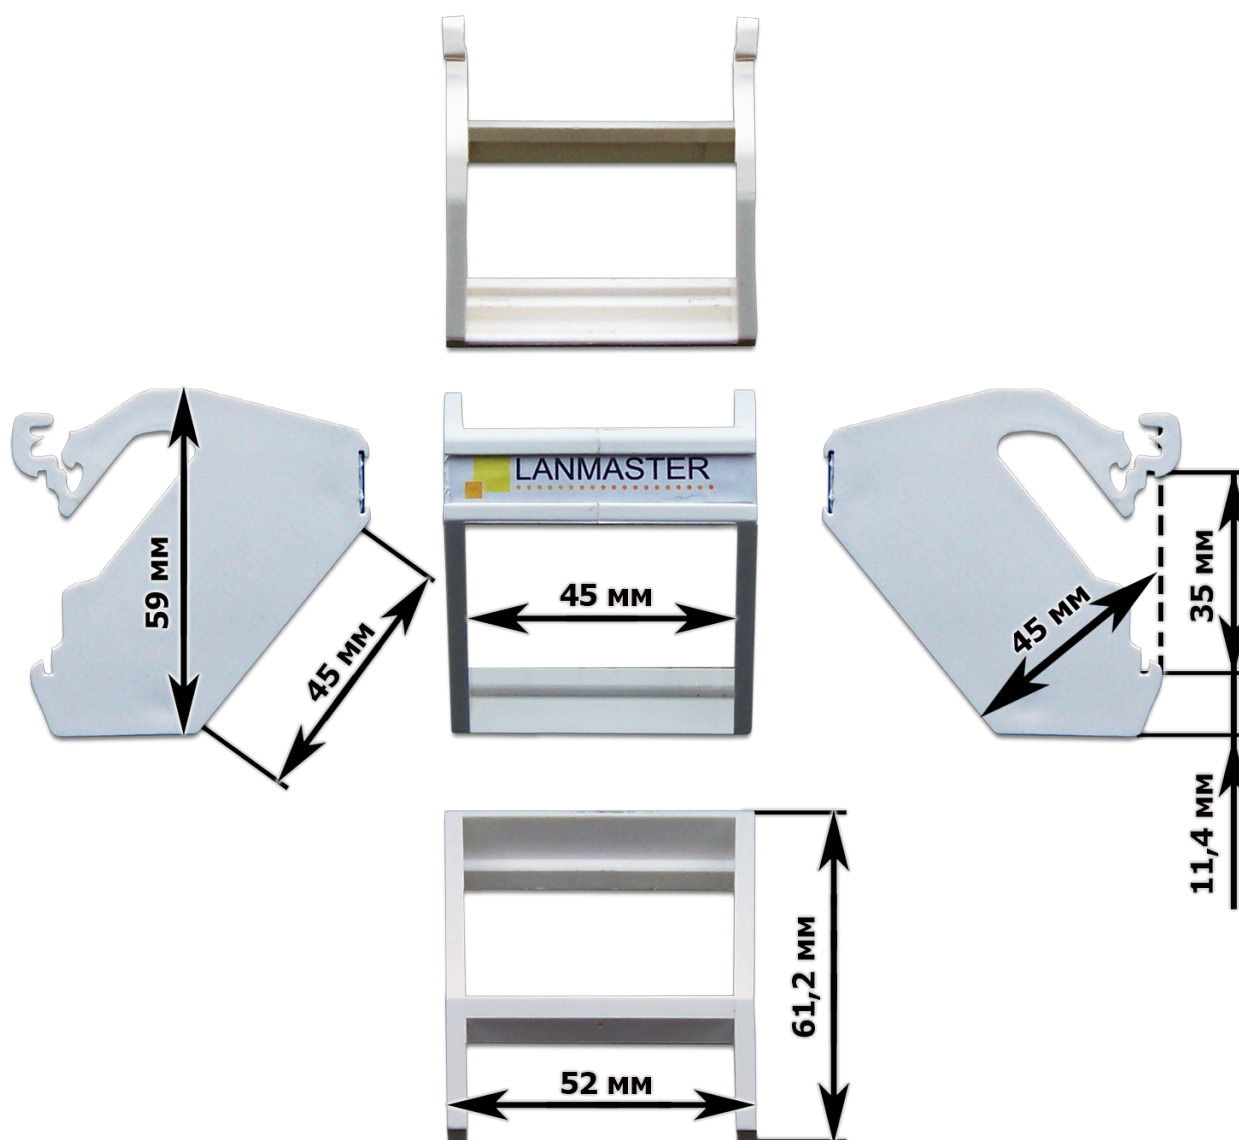

DIN-rail mounting frame for 45x45 inserts and power modules, white

Description

The mounting frame is designed for installation on a DIN rail for organizing data line or power sockets of 45x45 Mosaic size.

Mounts to standard 35mm DIN rails with a simple snap.

Allows you to install a standard data insert with a module (or two) or power sockets, switches, etc. with a total depth of no more than 32mm.

There is a field for labeling with a paper insert and a transparent protective film.

Made of ABS.

Color is white (RAL9010).
