

Metal 19" optical enclosure, 2U, for 6 adapter faceplates

Product Code: [LAN-FOBM-RM-6P](#)

Metal 19" optical enclosure, 2U, for 6 adapter faceplates

Description

The enclosure is intended for terminating optical cables in 19" cabinets and racks. The enclosure allows you to run several cables of different designs at the same time which can be inserted from the back. The cable entry holes are protected by rubber grommets. There are special clamps for the central strength member of the optical cable inside enclosure. The adapter faceplates are fixed with plastic clips.
