

Industrial wall mounting outlet box, 2 sockets, waterproof

Product Code: [LAN-MB-2OK-WP](#)

Industrial wall mounting outlet box, 2 sockets, waterproof

Description

The industrial outlet box is designed for wall mounting of industrial socket modules. Allows the installation of up to two industrial modules, as well as cable entry from any of the three sides.

The lid of the box has a silicone seal with a body.

All openings are closed at the time of delivery. To open them, it is necessary to squeeze out the cap in place of the hole inside the box. To maintain the sealing of the box during operation it is recommended to use cable glands for cable entry.

The box package includes screws for fixing the lid, cups for installed screws, and self-tapping screws for fixing the box to the wall.

Made of ABS.

Protection class is IP68.

Color is white (RAL 9010).
