

Socket box for 2 SC adapters with optic fiber manager, 100x80x23 mm, white

Product Code: [LAN-SBF3-WH](#)

Socket box for 2 SC adapters with optic fiber manager, 100x80x23 mm, white

Description

The wall box to create an optical socket in FTTH networks.

The box has 2 places for installing SC optical pass-through adapters and a hinged panel with a tray for installing mechanical or fusion splices with protective sleeves.

There are also three holes for cable entry. All openings are closed at the time of delivery. To open them, you need to squeeze out the blank caps in place of the holes. Optical fibers managers are provided in the box.

Suitable for SC optical adapters, or duplex LC adapters with SC profile. The cover of the box is fixed with latches.

Dimensions (DxWxH): 100x80x23.

Made of PVC.

Color is white.
