

Socket block, 3 power sockets, 2 USB sockets, 2 category 6 sockets

Product Code: [LAN-WA-DC/3G+2UC+2C6](#)

Socket block, 3 power sockets, 2 USB sockets, 2 category 6 sockets

Актуальная версия конструкции

Description

The desktop multimedia block is intended to be installed directly on the user's desktop.

The product is installed on the worktop with the help of 2 clamps included in the kit.

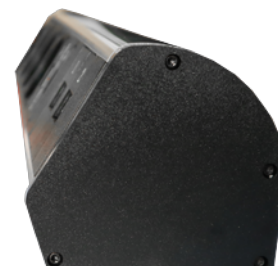

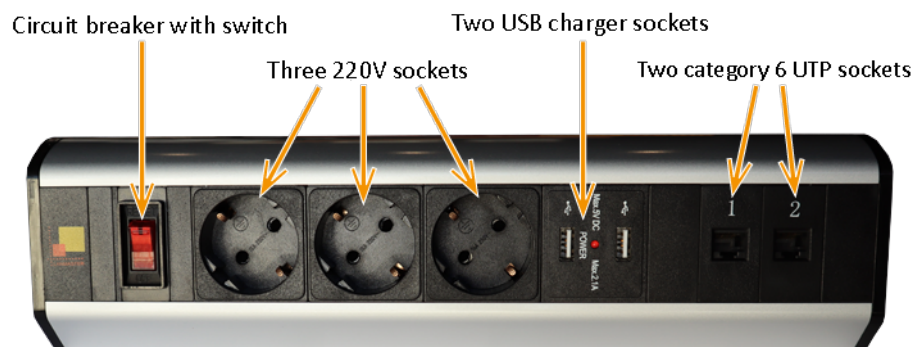

The block is connected to the 220V mains with a 3x1.5 mm² cable terminated with a Schuko plug (Hybrid E/F type, CEE 7/7 French-German 16A / 250V, with earth terminal, C4 type according to GOST 7396.1-89).

Connection of category 6 RJ-45 sockets is made through socket couplers to the cords of the existing building SCS. The front panels of the couplers installed in the block have areas for labeling and protective shutters for the sockets.

The block has a 2 socket USB charger for charging electronic devices. Total charging current up to 2.4A.

The the block's case is made of anodized aluminum.

The end caps of the block are made of black ABS.
