

Mounting box for a floor hatch box for 6 modules

Product Code: [LAN-WA-FLBP-MB/6](#)

Mounting box for a floor hatch box for 6 modules

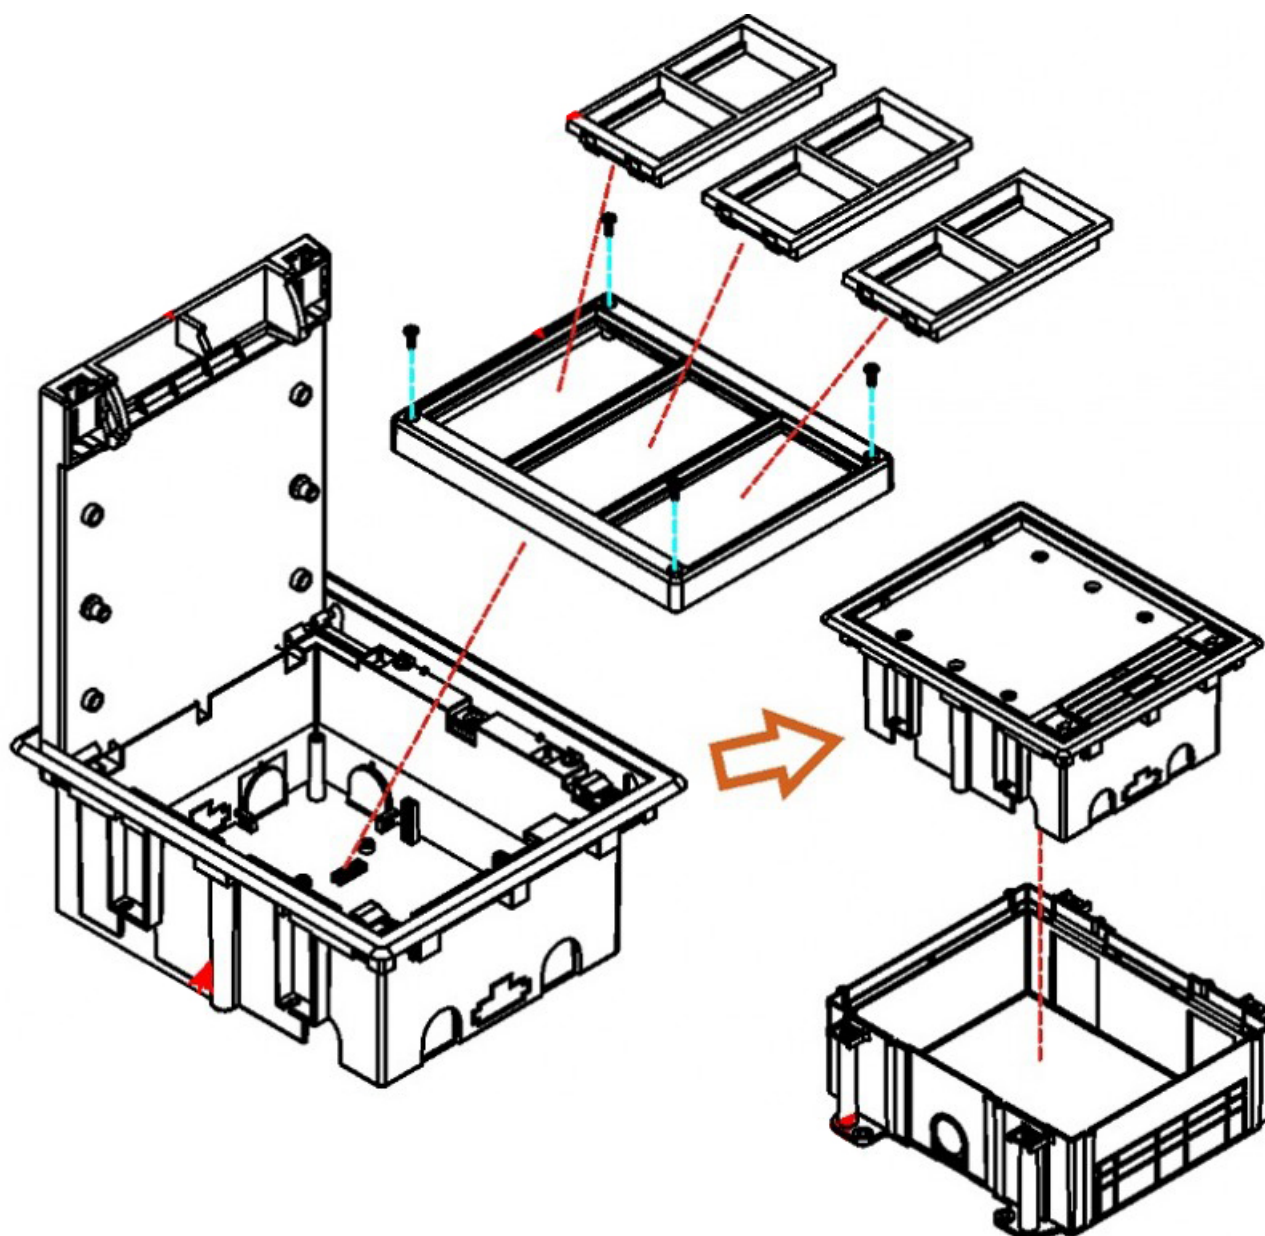

Description

A floor hatch box is designed for organizing workplaces in areas far from walls or columns, also in open office rooms.

The hatch box can be installed in a raised floor or in a coated floor when using an additional mounting box.

The lid of the hatch box is equipped with two latches for fixing in a closed state, and a valve for pulling out the cords of the workplace.

A removable steel partition with a grounding conductor terminal is installed inside the case.
