

45x45 Mosaic insert with audio terminals, 2 pairs of terminals, white

Product Code: [LAN-WA-LP-2SPK-WH](#)

45x45 Mosaic insert with audio terminals, 2 pairs of terminals, white

Description

The front panel is designed to organize a connection point for audio speakers and loudspeakers.

On the front side, the panel is equipped with plug-in audio terminals (with red and black polarity markings) for connecting audio cables. The cable is fixed on the rear side of the panel using screw wire blocks.

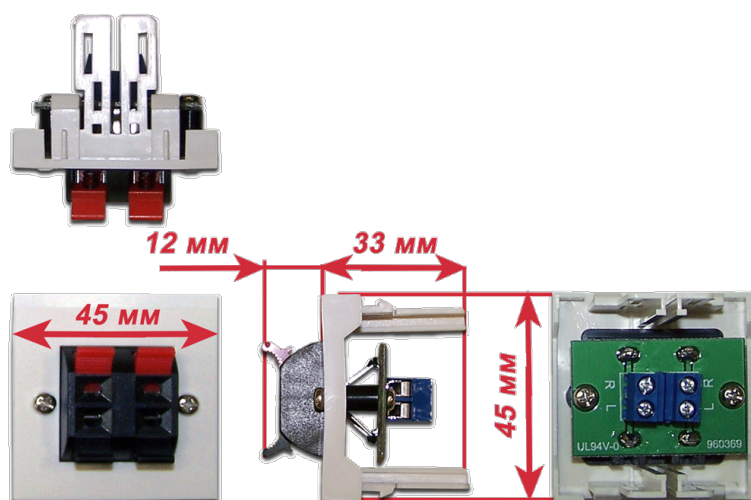

The front panel is used to complete Mosaic sockets, for installation in floor hatches, minicolumns, wall blocks. The panel has a size of 45x45, installation is done by snapping into the mounting frame.

Supplied individually packed.

Made of ABS.

Color is white RAL9010.

Color is white RAL9010.
