

RJ45 module, category 5e, white

Product Code: [NM-KSTU90/WH](#)

RJ45 module, category 5e, white

Description

The module is used to complete telephone and information sockets installed in a wall trunk, in a wall box, and in modular patch panels. Color-coded termination blocks are provided on the module housing for easy cable termination.

The insulation displacement contact method is used (IDC) to terminate incoming cable. Orientation of IDC blocks relative to the face of the module is 90°.

Model range

NM-KSTU90/WH	RJ45 module, category 5e, white
