

Vertical cable tray for floor cabinets

Product Code: [TWT-CB-CTR-xxU-y](#)

Vertical cable tray for floor cabinets

Description

Vertical cable tray for floor cabinets is designed for vertical fastening of cables, and for mounting various non-19" equipment on its surface.

The tray is installed on the horizontal rails of the cabinet, between the 19" mounting rails. It is also possible to mount the tray on **TWT-CBB-MCB** mounting spacers in 800 mm wide cabinets.

It is recommended to use standard M6 screws with self-locking or wing nuts to install the tray.

You can use plastic cable ties or Velcro clamps to fasten the cables on the tray.

Available width is 100 mm or 200 mm.

Supplied individually wrapped in stretch film.

Made of metal.

Powder coating painting.

Color is black (RAL 9004).
