

TWT SC optical adapter, simplex

Product Code: [TWT-SC-AM-xx](#)

TWT SC optical adapter, simplex

Description

Adapters are installed in optical patch panel, wall or rack type, and optical sockets.

Adapters are pass-through sockets and are used for precise centering of connector tips, and for fixing connectors pressed against each other.

Adapters are available for multi-mode (beige body) and single-mode (blue body) connectors. In addition, adapters are produced for single-mode connectors with angled polish APC (green body).

SC adapter connects two cables terminated with SC connectors. Connector can be installed on a fiber in a cable, a pigtail, or a patch cord.
