

Wall mounting box for French size mounting frame

Product Code: [TWT-WMB45x45-WH](#)

Wall mounting box for French size mounting frame

Description

The wall mounting box is used to assemble the modular wall socket. The box has a compact size, with a depth sufficient for the installation of data and power modules of LANMASTER and other manufacturers of components based on the French Mosaic standard.

The main purpose is joint use with the [TWT-WP45x45-WH](#) faceplate or assembly with **TWT-MF45x45** (or [LAN-MF45x45](#)) metal mounting frames or [LAN-PF45x45](#) plastic frames.

Assembly is made out with screws.

Made of ABS.

Color is white (RAL 9010).

For options of using this product see document: [Typical assemblies of data sockets with LANMASTER and TWT components](#)
